Community Garden

Inner Harbour Community Garden Collaborative would like to welcome Stephen Caddy to the team as our new Garden Supervisor. Stephen is a third year Civil Engineering student at Queen’s University Armed with a passion for the outdoors, as well as his experience with agriculture and landscaping in his hometown of Calgary Alberta, Stephen brings great enthusiasm to the community garden initiative. Throughout his life, Stephen has remained active in maintaining his talents and presence as a visual artist. He hopes to use this experience in the garden project to provide beautiful community environments. He enjoys a wide variety of physical actives and likes to spend his free time exploring his surroundings by foot or on his bike, always with a sketchbook close at hand.

Garden Survey

Please direct your answers to the following community garden survey to the Garden Supervisor at garden@thk.ca, or take the survey online at <http://bit.ly/2qTcegN>. If you have any comments or suggestions, we would love to hear back from you as to how the community gardens can better serve you.

- * What kind of fruit and vegetables would you like to see in your community garden?
- * How would you rank your knowledge on growing fruits and vegetables?
- * How often do you see yourself participating in gardening and other related events at the community gardens?
- * How do you think the community gardens will impact your lives?
- * What concerns if any, do you have about the community gardens?

Air Conditioning

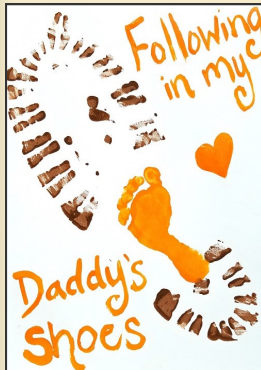

Air Conditioners can be installed from June 1st to September 30th. Please ensure that you fill out the attached Air Conditioner Agreement prior to installing the unit by either dropping it off to our office or mailing it in.

The cost this year is;

- ◆ \$45.00 a month for 3 months per air conditioner; Due on the 1st of each month OR
- ◆ \$120.00 for the season per air conditioner; Due in full by June 23rd.

SUSTAINABLE KINGSTON

Kingston Municipal Non-Profit Housing Corporation (KMNPHC) is proud to announce that we are committed to doing our part to contribute to a green economy in Kingston. Working with Sustainable Kingston through the Green Economy Kingston program, we are at the leading edge of a network of businesses that are shifting to make sustainability the norm. We have measured our carbon footprint for 2016 and are working towards reducing our GHG emissions. Stay tuned for more details and activities in the future.

PITCH-IN 2017

Volunteers from our communities participated alongside Town Homes Kingston staff and Board of Directors, the staff from CJM Property Management Ltd. for the first Annual Pitch In Day. Just another way we can build our community and maintain clean and environmentally responsible neighbourhoods.
